Tips
➤ Your USDT will arrive after 12 confirmations, and it will be available to withdraw after 120 confirmations.
➤ Please make sure your computer is under safe operating environment. If this address does not match with previous address, please don't deposit into this address and contact our customer service immediately.
➤ Only transfer / transferFrom deposit method is supported for USDT at this moment, other deposit method may cause a failure of the deposit. Thank you for your understanding.

Trading

After that, you see the address of the wallet to which you can send USDT to buy ZYX coins on the exchange. Use the generated address.

STEP 5

After you have sent the cryptocurrency to your wallet, you need to wait for the cryptocurrency to arrive in your wallet and you can transfer it from your wallet to the Spot account to buy ZYX coins.

Your cryptocurrency will be displayed in the "My Assets" window.

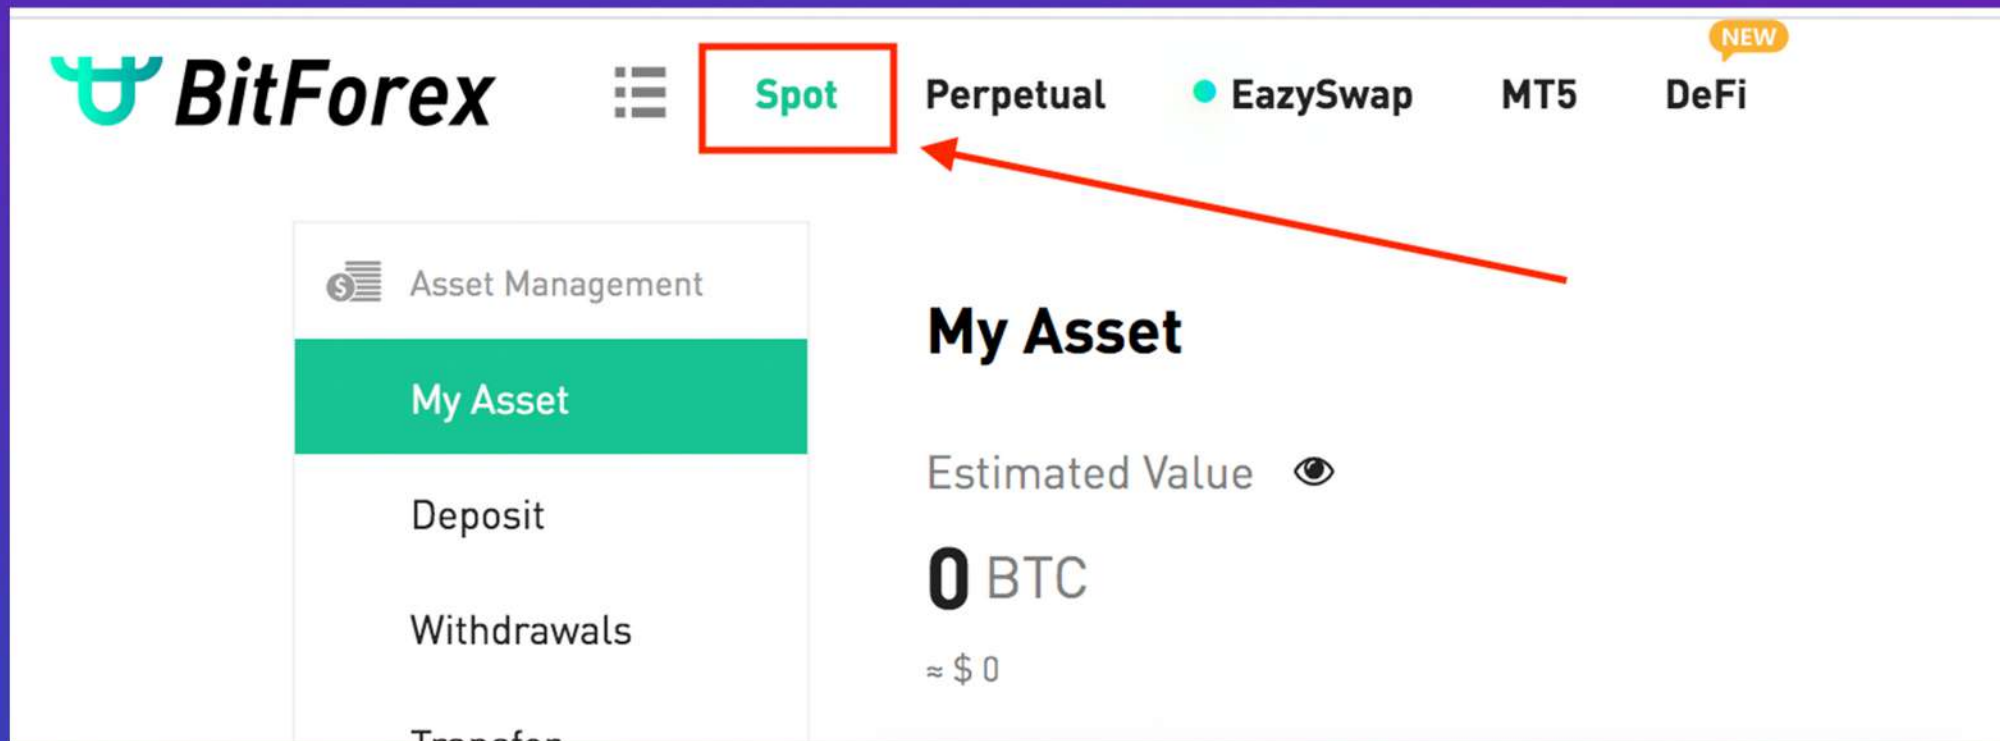

To transfer to a spot account, click "Transfer" button.

STEP 6

A screenshot of a transfer confirmation dialog box. At the top, it says 'Coin/Token' with a dropdown menu showing 'USDT'. Below this, there are two dropdown menus: 'From' set to 'Wallet' and 'To' set to 'Spot Account', both highlighted with red boxes and red arrows. A double-headed arrow is between them. Under 'Amount', it shows 'Available 0 USDT' and a 'Transfer All' button. A text input field contains '111111' and 'USDT', also highlighted with a red box and a red arrow. At the bottom is a large green 'Confirm' button, highlighted with a red box and a red arrow.

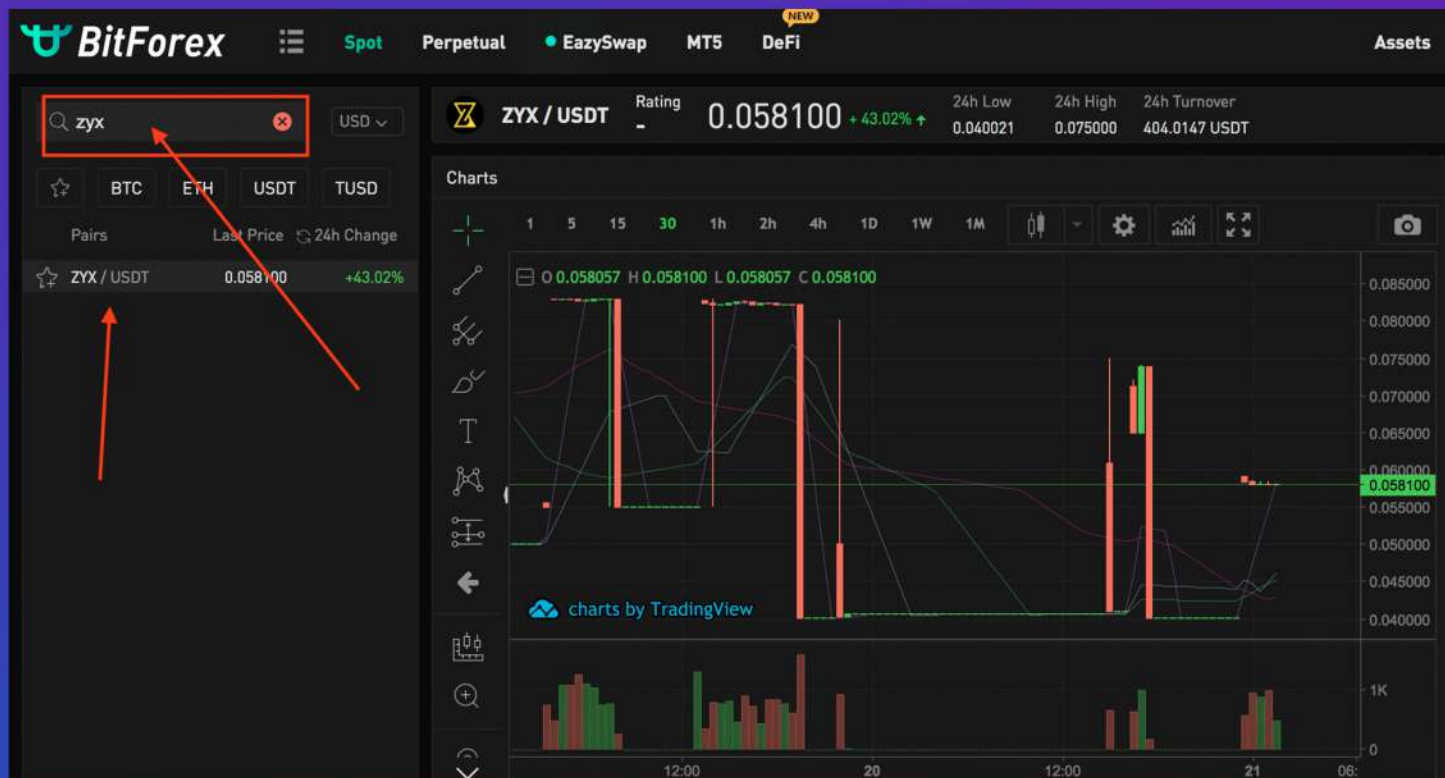

Transfer your funds from your Wallet to a Spot Account to buy ZYX coins.
Enter the quantity and click "Confirm" button.

STEP 7

After you have transferred coins from your Wallet to a Spot account, you need to go to the Spot Exchange to buy ZYX coins. Click on the Spot tab.

STEP 8

Для покупки монет ZYX вам необходимо ввести название монеты в поисковой строке. Нажмите на торговую пару для покупки.

STEP 9

The screenshot displays a trading interface for ZYX coins. The interface is split into two main sections: 'Buy' and 'Sell'. The 'Buy' section is on the left, and the 'Sell' section is on the right. Red boxes and arrows highlight specific elements in the 'Buy' section: the 'Buy' button, the 'Price' field (0.1 USDT), the 'Amount' field (0.0001 ZYX), the '100%' percentage button, the 'Total' field (0.000010 USDT), and the 'Buy ZYX' button. The 'Sell' section shows a 'Price' of 0.058100 USDT and an 'Amount' field for ZYX. Below the 'Amount' field are percentage buttons (25%, 50%, 75%, 100%). The 'Total' field for the sell order is empty. At the bottom of the 'Buy' section, there are two rows: 'USDT Total' (0.00001761) and 'USDT AVL' (0.00001761). At the bottom of the 'Sell' section, there are two rows: 'ZYX Total' (0) and 'ZYX AVL' (0).

Field	Buy Section	Sell Section
Buy/Sell	Buy	Sell
Price	0.1 USDT	0.058100 USDT
Amount	0.0001 ZYX	ZYX
Percentage	25% 50% 75% 100%	25% 50% 75% 100%
Total	0.000010 USDT	USDT
USDT Total	0.00001761	ZYX Total 0
USDT AVL	0.00001761	ZYX AVL 0
Action Button	Buy ZYX	Sell ZYX

Below the chart, you will see a window for buying and selling coins. Enter the price at which you want to buy coins and the amount of coins. You can click on the percentage under the amount and you will buy coins for the percentage of your balance that you want. Press "BUY".

STEP 10

Wallet | **Spot Account** | Perpetual Account | DeFi Account | CApp Account

zyx
