

1. Open the ZYX Wallet application. ZYX Wallet application should be downloaded from the official website <https://zyx.network/wallet.php>

2. Enter your passphrase to access your wallet and click the button “Sign in”

3. To activate your wallet and be able to start PoS mining process, click the button “Register refer”

The screenshot shows the ZYX Wallet Dashboard interface. At the top, there is a navigation bar with the ZYX logo, a 'Dashboard' link, and a search icon. The main content area is titled 'Dashboard' and contains three sections: 'Wallet details' showing a balance of 0 ZYX, 'Recent ZYX transactions' showing 'No Transactions Yet', and 'Bookmarks' showing 'No Bookmarks added yet'. A dark blue banner at the top right of the dashboard contains a warning icon and the text 'You didn't register your refer. Click Register refer to activate POS', with a 'Register Refer' button highlighted by a red box. A red arrow points from the text on the right towards this button.

**IMPORTANT! ONCE YOU REGISTER YOUR REFER, YOU WILL BECOME HIS REFERRAL WALLET AND FORM PART OF HIS STRUCTURE. THIS ACTION IS IRREVERSIBLE!**

4. Insert the wallet of your refer

5. Click the button “Go to confirmation”

A screenshot of the ZYX Wallet interface. At the top, there is a navigation bar with the ZYX logo, navigation arrows, a 'Wallet' tab, and a status indicator 'Connected to: Mainnet'. To the right, it shows 'ZYX Wallet' with a balance of '0 ZYX' and a search icon. Below the navigation bar is a dark notification banner that reads: 'You didn't register your refer. Click Register refer to activate POS' with a 'Register Refer' button. The main content area is a light gray background. In the center, there is a white dialog box titled 'Send ZYX'. Inside the dialog, there is a 'Recipient' section with a text input field containing the address '12345678912345678912L' and a blue checkmark icon. Below the input field is a blue button labeled 'Go to confirmation'. Two red arrows point to the input field and the button respectively.

## 6. Revise the address of your refer wallet and click the button “Send 0 ZYX”

The screenshot displays the ZYX Wallet interface. At the top, there is a navigation bar with the ZYX logo, navigation arrows, a 'Wallet' tab, and a status indicator 'Connected to: Mainnet'. The user's wallet is identified as 'ZYX Wallet' with a balance of '0 ZYX'. A dark notification bar at the top left contains a warning icon and the text 'You didn't register your refer. Click Register refer to activate POS', with a 'Register Refer' button on the right.

The main content area shows a 'Transaction summary' card. Under the 'Recipient' section, a red wallet icon is followed by the address '12345678912345678912L'. Below the address, a blue button labeled 'Send 0 ZYX' is highlighted with a red rectangular border. A red arrow points from the right towards this button. Below the button is a blue link labeled 'Edit transaction'.

**CONGRATULATIONS! YOU HAVE ACTIVATED YOUR WALLET!**

7. To back to your wallet click the button “Back to Wallet
